

CALL FOR PAPERS

ITEA 2024

July 20-22

Kuala Lumpur, Malaysia

2024 The International Conference on Intelligent Technology for Educational Applications

<https://www.icitea.cc/>

About ITEA 2024

The 1st International Conference on Intelligent Technology for Educational Applications (ITEA 2024) is scheduled to take place in Kuala Lumpur, Malaysia on July 20-22, 2024.

The purpose of ITEA 2024 is to bring together the global community of scholars, educators, and industry leaders to share their research, experiences, and ideas on the intelligent and innovative technologies for education. We aim to foster a vibrant exchange of ideas and to identify new trends, opportunities and innovative solutions to the challenges in this important field.

Topics

- T1: Intelligent Algorithms and Models for Education
- T2: Cognitive Science and Intelligent Technologies for Education
- T3: Intelligent Technologies for Learning Analysis and Evaluation
- T4: Innovative Technologies for Digital and Distance Learning
- T5: Other Issues in Intelligence and Digital Education

For more topics, please visit:
<https://www.icitea.cc/cfp.html>

Industry Track

This track will be an opportunity for people associated with industry and academia to present their novel ideas while attracting funding and/or further expanding collaborations. These papers will be presented as part of the main conference program, where the content focuses on research that has direct industry impact and potential for industry uptake. For this track, only high quality papers with clear industrial association will be solicited.
